

A photograph of a modern exhibition stand for 'slee solutions for pathology'. The stand is primarily blue and white. It features a large blue pillar with the 'slee' logo and tagline 'solutions for pathology' written vertically in white. The top of the stand is white with recessed circular lights. In the background, a white wall also displays the 'slee' logo and tagline. To the left, a white wall has the text 'olutions or athology'. In the foreground, a white chair and a small table with a water bottle are visible. A brochure rack on the left holds several brochures with the 'slee' logo.

Maged Benjamin,
Alexander Benjamin:

As experts in pathology laboratory solutions, we are proud to take part in this event ...

... and showcase our commitment to improving standards for histotechnicians and pathologists. We were pleased to see such a strong turnout from the industry, and it was truly inspiring to hear the opinions and views of attendees, as well as to meet distinguished scientists of our field!

Alexander Benjamin points out the highlights of the Ergotec to highly interested visitors of our booth.

The highlight of the show was without any doubt the Ergotec!

Our ergonomic workstation rocked the show and was the talk of the town. People were impressed by its innovative design and functionality, making it a real show-stopper at our booth. Watch our [movie clip!](#)
