

The logo for 'slee' is written in a bold, blue, lowercase sans-serif font. The letter 'l' is stylized with a diagonal slash through it.

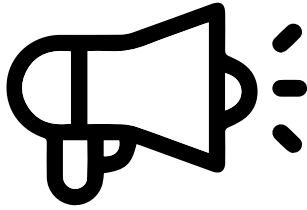

solutions
for pathology

The 'slee' logo and tagline are displayed on a white, textured rectangular panel. The 'slee' part is in blue, and 'solutions for pathology' is in a smaller, grey font.

After show report Medlab Middle East 2024 Dubai

05 - 08 Feb 2024

It was a pleasure to meet you. Thanks to all of our guests, visitors and last but not least our partners from **Leader Life Sciences!**

MEDLAB MIDDLE EAST 2024 *Dubai World Trade Centre, UAE*

First day, first surprise! Please welcome Simon Owen to our team!

The ones among you receiving our Sleee newsletter were the early birds in terms of information. As of February 01, Sleee has a new Director of Overseas Markets. Simon Owen went right into business at Medlab ME, supporting the Sleee team from the first second. You want to learn more about Simon?

Polycut
Legacy
newsletter

The Polycut Legacy drew immense intention. This is super-sized specimen sectioning within easy reach!

Demanding specimen for research and / or analysis? This is your device of choice: the Gold standard in microtomy for histology life sciences and material sciences. Learn more about the Polycut Legacy on our homepage: www.slee.de/en/products/polycut-legacy/

Did you have a seat at the Ergotec working table? Made yourself comfy?

Great to hear! The Slee ergonomic workstation was set up with the innovative Ergositt laboratory chair. Design meets functionality and ergonomics. Want to learn more? Watch our **movie clip!**
