Phone:	Mobile:
E-mail:	Other:

The variety of equipment allows you to optimally adapt the workplace to your personal needs. Based on your desired configuration, we will check how all of your requests can be fulfilled. We will be happy to prepare an individual offer for you.

Number of planned tables: _____

Use a separate product configuration sheet for each different table configuration.

Dimensions of planned tables (W x D):

☐ 200 x 80 cm	☐ 180 x 80 cm	☐ 160 x 80 cm	☐ Custom size: _____

Possible width: 80, 100, 120, 140, 160, 180, 200 cm / Possible depth: 80, 90, 100 cm

Color of table top*:

| ☐ U708 ST9 Standard (cf. RAL 7035)	☐ U960 ST9 Onyx grey
☐ U732 ST9 Dust grey	☐ U707 ST9 Silk grey
☐ U961 ST2 Graphite black	☐ W980 ST2 Platinum white

For a binding color shade ask your Slee product consultant about a color fan!

Edge shape of table top *(The standard color U708 ST9 is only available with a straight edge)*:

☐ 90° straight edge	☐ 25° bevel edge

Corner radius of table top *(The standard color U708 ST9 is only available with a 1 cm standard corner radius)*:

| Corner radius 1 cm standard	Corner radius custom size, *possible radius: 2 cm, 3 cm, 4 cm*

1 cm ☐   2 cm ☐   3 cm ☐   4 cm ☐

Ergotec product configuration

Ergonomic cutout, *from a table depth of 100 cm, fitting a Slee microtome*:

☐ Yes	☐ No cutout

Please note that the ergonomic cutout will affect the depth of the table at the very position. This also applies to the cable channel. The depth of the table might be adjusted to fit all devices. Example of a table with ergonomoc cutout and cable channel:

200 cm

Cable channel slanted D x H = 80 x 80 mm

820 mm

100 cm

Water bath

Cooling plate

100 mm

600 mm

Adjustable height - *motorized (66 - 110 cm)*:

☐ Yes	☐ Not adjustable, desired higth: _____

Water bath - *integrated, requires a cable channel for on and off switch*:

☐ Left side	☐ Right side	☐ No water bath

Cooling plate - *integrated, requires a cable channel for on and off switch*:

☐ Left side	☐ Right side	☐ No cooling plate

Please note that the water bath and cooling plate are always placed on the opposite side of the table.

Workplace lighting, *requires a cable channel for on and off switch*:

☐ Yes	☐ No workplace lighting

Undertable drawer - *lockable*:

☐ Yes, drawer on left side	☐ Yes, drawer on right side	☐ No drawer

Please note that the control panel and the drawer are always placed on the opposite side of the table (only for tables with height adjustment). If the table is equipped with water bath and cooling plate, a drawer can only be integrated below the cooling plate.

↳ **No drawer**:

| ☐ Control panel on left side	☐ Control panel on right side	☐ Not applicable

Ergotec product configuration

Monitor arm / PC workstation, *pivotable, for 1 monitor, 1 keyboard, 1 mouse - clampable or fixed**:

| ☐ Yes, on the left | ☐ Yes, on the right | ☐ No monitor arm |

*Fixed: Please discuss the exact position with your Slee product consultant. The position cannot be changed after mounting. When planning the cable channel, please note that you may need one or two additional sockets for your monitor or computer. The monitor arm can be pivoted outward. Set up your laboratory with sufficient distance to the next workstation to be able to use the arm in the best possible way.

Side view   *Top view*

Cable channel:

| ☐ Yes, 110 / 120 V | ☐ Yes, 220 / 240 V | ☐ No cable channel |

Set-up of sockets and network in cable channel, *rectangular*:

_____ _____	_____ _____	_____ _____
Left side of the table	Middle of the table	Right side of the table

Please specify quantity, position and technical specification concerning the cable channel, if necessary:
1 = socket with 1 plug
2 = socket with 2 plugs
3 = socket with 3 plugs
4 = USB plug for charging
5 = on and off switch water bath
6 = on and off switch cooling plate
7 = on and off switch workplace lighting
8 = network RJ45
9 = network RJ45 with 2 plugs (only available for the square cable channel)
10 = radio (DUB only)

Color and shape of cable channel, *rectangular D x H = 65 x 100 mm, slanted D x H = 80 x 80 mm*:

| ☐ Anthracite, rectangular | ☐ White, rectangular | ☐ White, slanted |

Further notes concerning the cable channel:

Please note: Unless otherwise specified, the outlet of the power cord and connecting cables is placed in the center of the table.

Ergotec product configuration

Ergosit *laboratory chair:*

☐ *Yes, I would like a consultation.* ☐ *No, thank you.*

Ask your Slee product consultant about your options. The Ergosit is available in various designs.

Other requirements / equipment:

Some equipment configurations require minimum table sizes or other technical requirements. Fill out the form carefully and discuss your order with your Slee product consultant. He or she will be happy to provide you with competent assistance and advice on your options.
Please make sure that the spatial conditions allow the delivery of the table. *Barrier-free access is crucial. If the building has an elevator, it must be suitable for bulky goods. It is not possible to transport the table over stairs. If in doubt, have the doors and aisles measured again. Your Slee product consultant will be happy to support you.*
