New arrival - International Sales

Dear Business Partner!

It is my pleasure to announce I am joining the international sales team at SLEE medical GmbH as of 1st of February 2024.

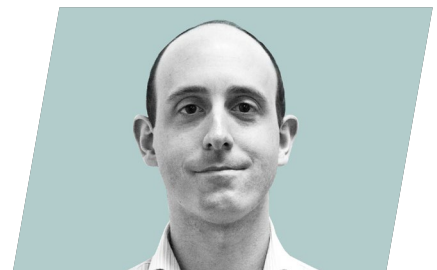

My name is Simon Owen, 37 years old, from the United Kingdom but now living in the Middle East in Abu Dhabi.

For the past 15 years I have been working for CellPath in the field of histology, where I have held several positions in domestic and international sales and business development. For the past six years I led the team in international business development, and built a team based in the UK, Italy and USA.

In my spare time, I enjoy travelling, watching the F1 and catching up with my friends.

I have long admired SLEE medical GmbH and look forward to meeting all of my new colleagues, and the challenges ahead in this new chapter of my life.

I am delighted to be on board.

Please find my contact information below:
